

In accordance with Article 47, paragraph 3 and Article 66, paragraph 2 of the Law on Games of Chance (“Official Gazette of the Republic of Serbia”, No. 18/20),

the minister of finance issues the following

**REGULATION
ON THE CONDITIONS FOR THE REPAIR OF TABLES AND AUTOMATIC EQUIPMENT¹
FOR GAMES OF CHANCE**

(Official Gazette of the Republic of Serbia, No. 152/20)

The basic text comes into force from 26/12/2020, the application of this regulation comes into force from 15/01/2021.

Article 1

This regulation prescribes in more detail the conditions for the legal entities that can be authorised to repair gaming tables and automatic equipment.

Article 2

The repair of tables and automatic equipment may be performed only by legal entities authorised by the minister of finance and that do not organise games of chance (hereinafter: the “maintenance company”).

Article 3

(1) The following documentation will be attached to the request for authorization to repair tables and automatic equipment for games of chance, which will be submitted to the Administration for Games of Chance (hereinafter: the “Administration”):

- 1) the decision on entry in the appropriate register with the registered activity of repair of electronic devices for general use;
- 2) proof of the right of ownership, the right to use or lease the business premises where the tables and automatic equipment are repaired;
- 3) proof confirming that at least one person of electrical engineering with a higher education is employed by the maintenance company;
- 4) proof of possession of equipment for the repair of electronic devices.

(2) The Administration shall, ex officio, obtain data from official records, unless the applicant explicitly states that he will provide such data himself.

Article 4

(1) The repair of automatic equipment by a maintenance company, within the context of this regulation, means any repair that requires the removal of seals or a change in the value of the dial.

¹ Automatic equipment is considered electromechanical, electronic and similar devices that work based on an algorithm of random events, on which special games of chance are organised.

(2) After the repair, the maintenance company is obliged to place a new seal, make a record and issue a certificate of repair of tables or automatic equipment on a CR form – certificate of repair – which is printed together with this regulation and is an integral part thereof, and must include the following data:

- 1) the numeric number of the label;
- 2) the manufacturer;
- 3) category (table or automatic equipment);
- 4) type;
- 5) month and year of production;
- 6) unique serial number of the table or automatic equipment;
- 7) proof of ownership of the table or automatic equipment;
- 8) data on the organiser;
- 9) data on the address of the facility in which the table or automatic equipment is located;
- 10) data on the authorised maintenance company;
- 11) data on the performed maintenance;
- 12) date of receipt of the request for maintenance and preparation of the record;
- 13) specification of performed works;
- 14) the condition of the dial (only for automatic equipment);
- 15) the serial number of the removed and newly placed seal (only for automatic equipment);
- 16) the signature of the responsible person of the maintenance company;
- 17) the signature of the responsible person of the organiser;
- 18) the place and date of issuance of the certificate for the performed repair.

(3) The maintenance company is obliged to submit the confirmation and the record on the performed repair of the table or the automatic equipment to the laboratory authorised by the minister of finance (hereinafter: the “laboratory”) within 24 hours.

(4) After checking the record and submitting the documentation on the performed maintenance, the laboratory is obliged to issue an additional certificate to the organiser on the technical and functional characteristics of the automatic equipment no later than the end of the next working day and submit it to the Administration within the same deadline.

(5) The certificate referred to in paragraph 4 of this article shall contain information on the reason for removing or changing the seal.

(6) The laboratory may subsequently check whether the repair has been performed in accordance with the minutes and documentation on the performed repair.

(7) At the request of the Administration, the laboratory, it is obliged to perform the subsequent check referred to in paragraph 6 of this article.

(8) The manner and content of communication between the maintenance company, the laboratory and the organiser is prescribed by the laboratory in its instructions.

(9) When processing data, the maintenance company is obliged to act in accordance with the regulations governing the protection of personal data.

Article 5

The minister of finance may revoke the authorisation of a legal entity that has been authorised to repair tables or automatic equipment if it ceases to meet the conditions for performing these tasks prescribed by the Law on Games of Chance (“Official Gazette of the Republic of Serbia”, No. 18 / 20) and this regulation.

Article 6

On the day the application of this regulation begins, the regulation on the conditions regarding the equipment for performing technical inspection and the repair of automatic equipment and tables for games of chance (“Official Gazette of the Republic of Serbia”, No. 12/10) shall cease to be valid.

Article 7

This regulation shall enter into force on the eighth day from the date of its publication in the “Official Gazette of the Republic of Serbia”, and shall apply from 15 January 2021.
